

Campus Dress Code

Congratulations! You have made the decision to join an ever-growing profession with unlimited job security! First impressions count! A working professional who takes the time to maintain a professional appearance presents the image of knowledge, success, and competence.

Professionals

- Have a **strong knowledge base** (provided by your outstanding CCC training)
- Follow a strict **code of conduct** (learned during your classes/labs at CCC)
- Adhere to a strict code in **appearance and hygiene** (which you will learn and practice at CCC).
- As a representative of CCC, please follow this dress code on campus and anywhere you go for CCC functions (e.g. field trips, volunteer service, externship...)

Residential Student Dress Code Requirements

- College-issued polo shirt or t-shirt with the student’s choice of pants or jeans.
- Scrubs during laboratory training.
- Clinical, Internship and Externship host sites may require a specific dress code that will be the financial responsibility of the student.

Additional Surgical Technologist Requirements

- The above residential student dress code must be followed.
- No unnatural hair color.
- Tattoos must be covered at all times.
- No acrylic nails or nail polish.
- No facial piercings. Only one small stud per earlobe is acceptable.

I have reviewed this dress code and understand the importance of a dress code to performance of my duties as a medical professional.
